CUSTOMER NOTICE

Cortland Monthly Bus Pass Discontinuation

Centro customers in Cortland are advised that Cortland's legacy monthly bus pass will be discontinued effective January 1, 2027.

December 2026 will be the final month that monthly passes may be purchased and used in Cortland. Beginning January 1, 2027, the monthly pass will no longer be available as a fare payment option.

Customers who currently use a monthly pass are encouraged to review the other fare payment options available for Cortland service. Information about these options can be found on our website in the Cortland Ride Pass Option Sheet.

Thank you for riding with Centro of Cortland.
