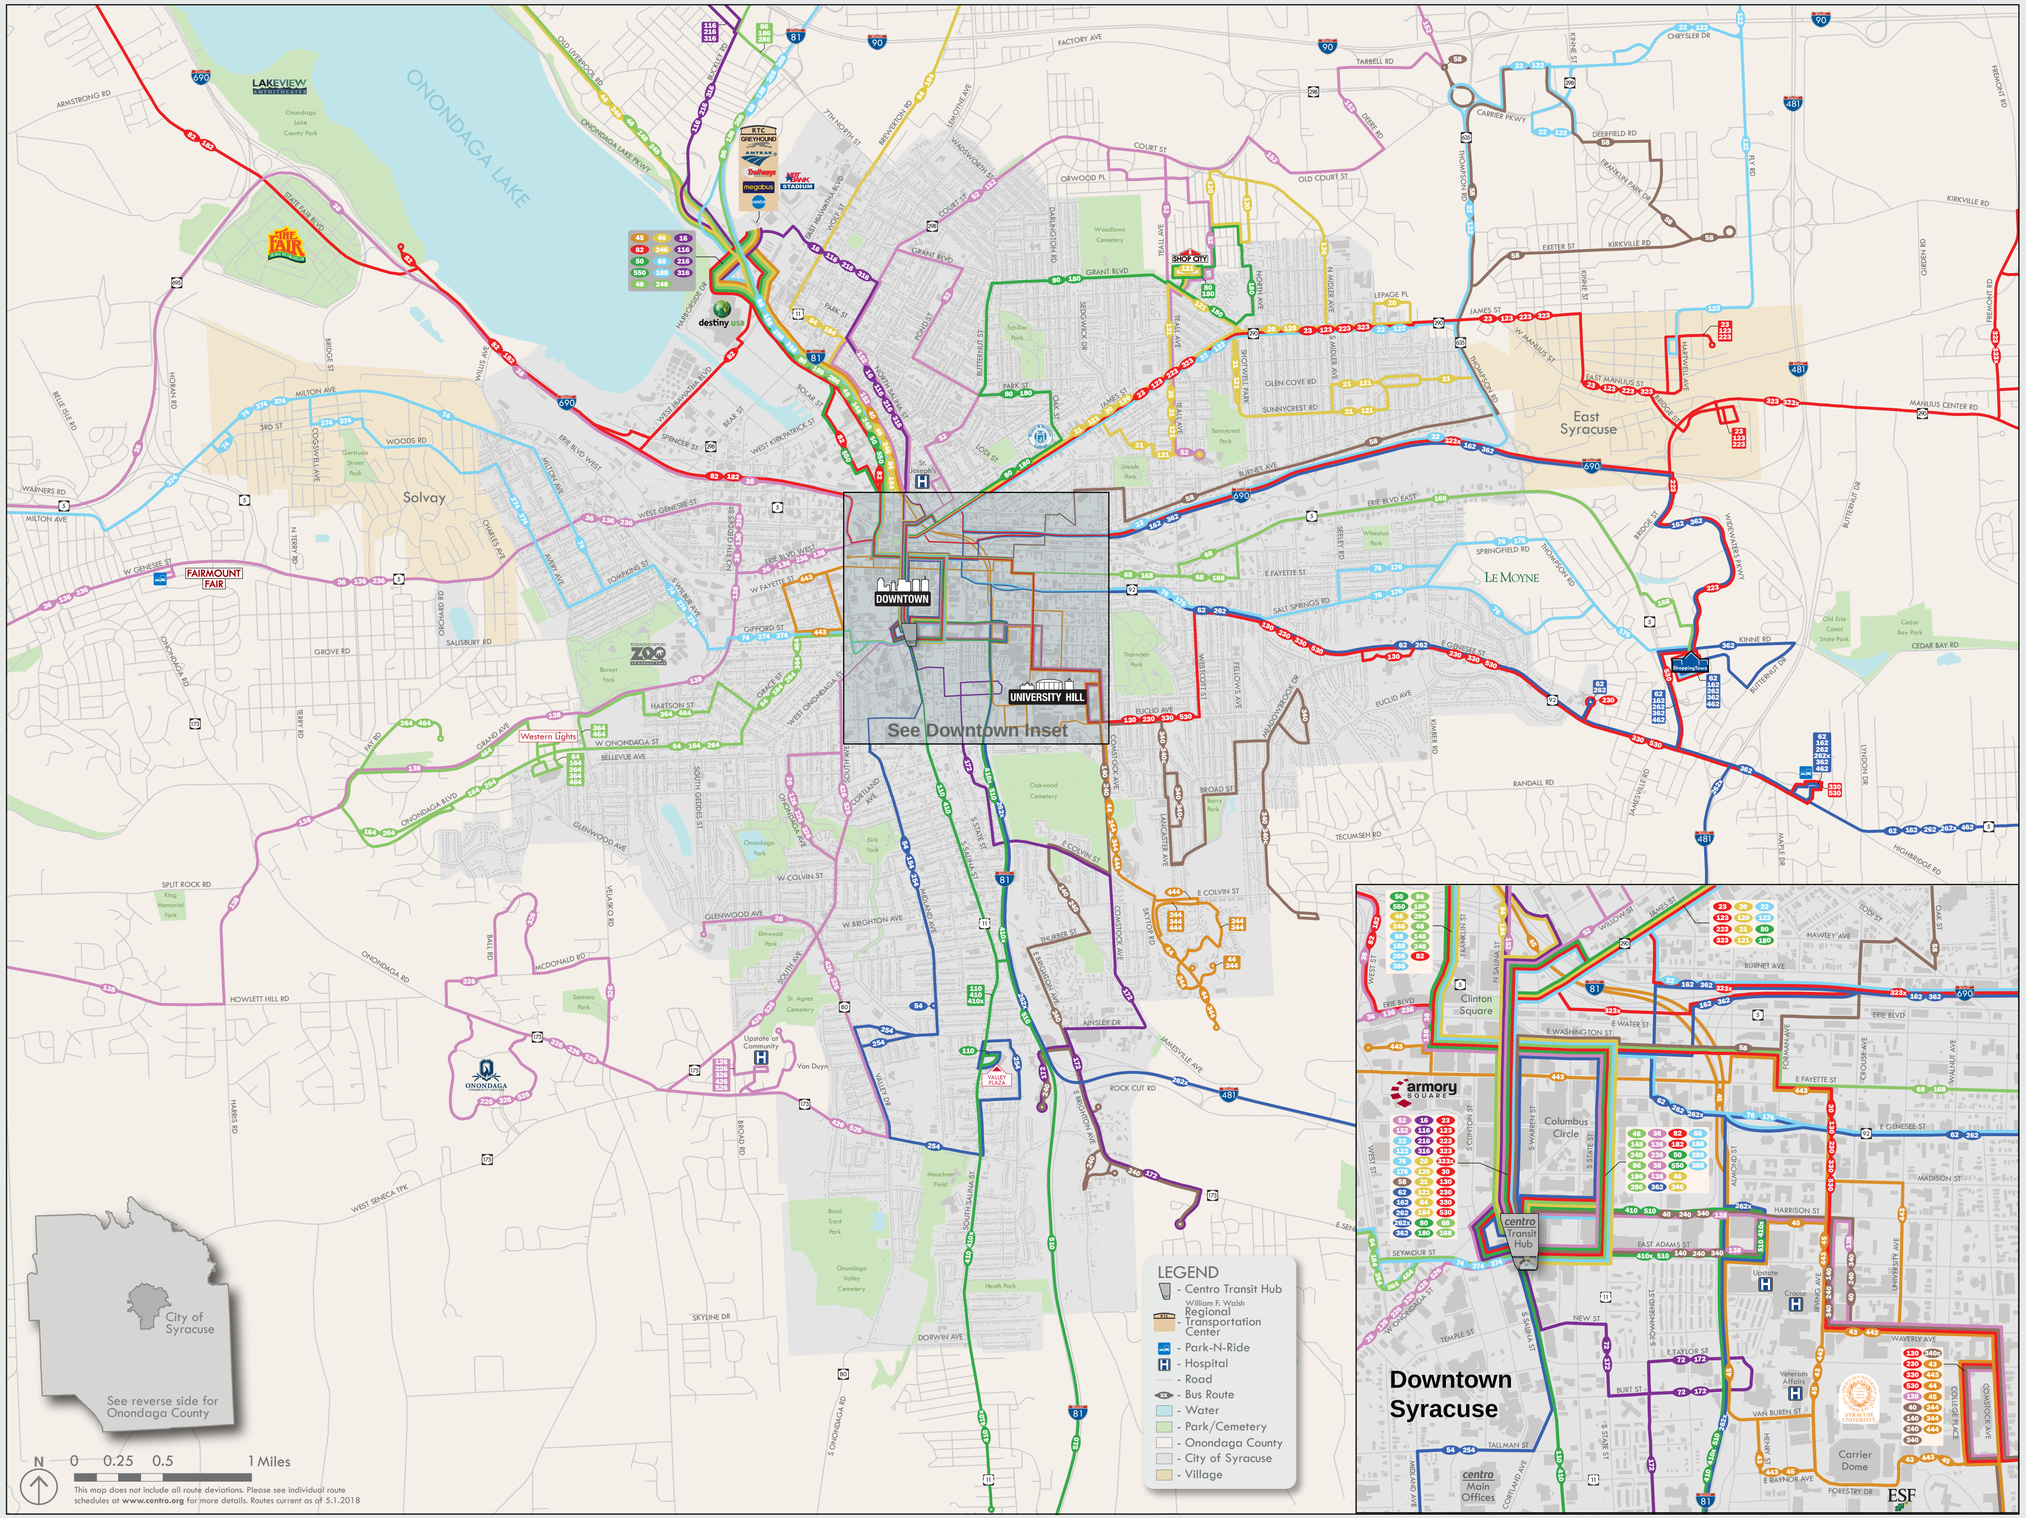
City of Syracuse



Get in the Know with Centro!

Centro's suite of Transit Tools, available on www.centro.org are designed to make riding the bus easier and more accessible for everyone.

GoCentroBus | Mobile App

Access real-time bus information anytime, anywhere with the GoCentroBus Mobile App. The app is your source for: GPS bus tracking, trip planning, finding nearby bus stops, viewing service alerts, and providing feedback. The free app is available for Android and iOS devices.

Track By Text | Scheduled Transit Information

Get next scheduled bus arrival times for any Centro bus stop via SMS text messages. Text the word **gocentrobus** (followed by a Stop ID number) to 41411.
