Dear Secretary La Hood:

Pursuant to Title XV, Subtitle A, section 1511 of the American Recovery and Reinvestment Act (Pub. L 111-5 (February 15, 2009) ("ARRA")), I, Frank Kobliski, Executive Director of the Central New York Regional Transportation Authority, hereby certify that the infrastructure investments funded by ARRA and attached hereto, appropriated under ARRA as Transit Capital Assistance through the Federal Transit Administration, have received the full review and vetting required by law and that I accept responsibility that such investment is an appropriate use of taxpayer dollars. I further certify that the specific information required by Section 1511 concerning each such investment (a description of the investment, the estimated total cost, and the amount of ARRA funds to be used) is attached, is also provided on the Statewide Transportation Improvement Program (STIP) for the State of New York, and is available for public viewing at the Central New York Regional Transportation Authority's website at <http://www.centro.org> and linked to Recovery.gov.

I understand that my public transit agency may not receive ARRA infrastructure investment funding unless this certification is made and posted.

Sincerely,
