A customer using a 10-ride pass, who needs to transfer in Syracuse to another bus to complete their one way trip, will receive two transfers. The first transfer is used to board the bus to continue their trip in the morning. The second transfer, which expires at the end of the day, is used to board the afternoon trip that will transport them to downtown Syracuse. They will then use their 10-ride pass to board the Tully bus. If the customer is traveling to another fare zone in Syracuse, the additional zone fare must be paid in the morning and the afternoon.
