The Parkhill route travels between Downtown Syracuse, Carrier Corporation, and the Deerfield and Parkhill neighborhoods by way of East Washington Street, Burnet Avenue and Thompson Road. Please refer to the map for details of all the streets traveled by this route.

Most trips follow the 58 route, which passes by Carrier Circle before going to the Deerfield and Parkhill neighborhoods. During weekday afternoons, several trips use Route 158, which will go directly to those neighborhoods. The schedule on the reverse side of this brochure will identify which trips use which route.

Additional service is available to the Carrier Corporation area on Centro's James Street service. Please refer to the James - Carrier and James - Eastwood schedules for information on those trips.

ACCESSIBILITY FOR MOBILITY DEVICES

All Centro vehicles are equipped to accommodate mobility devices classified as a "common wheelchair" according to regulations set forth in the Americans with Disabilities Act (ADA). Centro buses are equipped with mobility lifts or mobility ramps to assist customers in boarding the vehicle.
