

DATE: January 16, 2026  
TO: Authority Members  
FROM: Nicholas F. Laino  
RE: January 23, 2026

Pension Committee – 9:00 AM  
Audit & Finance Committee – 9:30 AM  
Board Meeting – 10:00 AM

## AGENDA

- 1- Chairman's Report
  - a. Reading of Minutes, December 19, 2025 – Regular Meeting, CNYRTA & Subsidiaries
  - b. Future Committee Meetings
- 2- Deputy Chief Executive Officer's Report – Christopher Tuff
  - a. Legislative Matters
  - b. Service Matters
  - c. Senior Staff Reports
- 3- Audit and Finance Committee Report  
Finance Report – Vice President of Finance – Melissa Brim
  - a. Resolution – Clever Devices Hardware Infrastructure Upgrade Equipment – Chris King
- 4- Pension Committee Report
- 5- Old Business
- 6- Future Business

This agenda may be amended by the addition or deletion of items for discussion.

## BOARD OF MEMBERS

**Nicholas F. Laino**  
*Chairman – Oneida County*

**Anthony Q. Davis Sr.**  
*Vice Chairman – City of Syracuse*

**Darlene DeRosa Lattimore**  
*Secretary – Cayuga County*

**Tina M. Fitzgerald**  
*Treasurer – Governor's Office*

**Neil Burke**  
*Member – City of Syracuse*

**Robert F. Cuculich**  
*Member – Onondaga County*

**Heather Snow**  
*Member – Oswego County*

**Julius L. Lawrence Jr.**  
*Member – City of Syracuse*

**Louella Williams**  
*Member – Onondaga County*

**Francis S. Saya III**  
*ATU 580*

**Christopher Tuff**  
*Deputy Chief Executive Officer*

**THE CENTRAL NEW YORK REGIONAL TRANSPORTATION AUTHORITY  
AUDIT AND FINANCE COMMITTEE  
200 CORTLAND AVENUE, SYRACUSE, NEW YORK**

**MINUTES OF THE DECEMBER 19, 2025, AUDIT AND FINANCE COMMITTEE MEETING**

---

**MEMBERS PRESENT:**

NICHOLAS LAINO, Chairman  
DARLENE LATTIMORE, Secretary  
ROBERT CUCULICH  
JULIUS LAWRENCE  
HEATHER SNOW  
LOUELLA WILLIAMS

**MEMBERS ABSENT:**

ANTHONY DAVIS, Vice Chair  
TINA FITZGERALD, Treasurer  
NEIL BURKE  
FRANK SAYA, Non-Voting Member

**STAFF PRESENT:**

CHRISTOPHER TUFF, Chief Executive Officer  
JACQUELYN MUSENGO, VP of Human Resources  
GEOFF HOFF, VP of Fleet and Facilities  
RAHMIN AZRIA, VP of Operations  
BRUCE FONG, VP of Information Technology  
MELISSA BRIM, VP of Finance  
CAITLIN MACCOLLUM, Sr Director of Procurement  
BREN DAISS, Associate VP Communication & Business Planning  
EJ MOSES, Director of Facilities  
DEREK SHERMAN, Director of Accounting  
CHRISTOPHER MORRALE, Director of Human Resources  
CHRISTOPHER KING, Procurement Manager  
TARA SPRAKER, Director of Capital Programs  
JASON SMITH, Sr Procurement Analyst  
BILLY GREENE, Desktop Support Specialist  
MATTHEW KAVANAGH, Desktop Support Specialist

**PUBLIC PRESENT:**

BRAD HUNT, Legal Counsel  
MARIO COLONE  
JOE CALABRESE

**CALL TO ORDER** At 9:00 A.M. Chairman Laino called the meeting to order.

- Chairman Laino noted a quorum was present

The next Committee meeting will be on January 23, 2026.

NOVEMBER 30, 2025, STATEMENT OF REVENUE & EXPENDITURES

Ms. Brim presented a Motion to approve the November 30, 2025, Statement of Revenue and Expenditures. A copy of the Motion is attached to these Minutes.

A Motion to approve the November 30, 2025, Statement of Revenue and Expenditures, was raised and forwarded to the Board for approval.

Motion – Julius Lawrence

Seconded – Darlene Lattimore

Carried Unanimously to the Board with a recommendation of approval.

2026-27 PROPOSED OPERATING BUDGET AND FINANCIAL PLAN

Mr. Sherman, Director of Accounting, presented a Motion to approve the 2026-27 Proposed Operating Budget and Financial Plan. A copy of the Motion is attached to these Minutes.

A Motion to approve the 2026-27 Proposed Operating Budget and Financial Plan was raised and forwarded to the Board for approval.

Motion – Heather Snow

Seconded – Robert Cuculich

Carried Unanimously to the Board with a recommendation of approval.

2026-27 PROPOSED CAPITAL BUDGET AND FINANCIAL PLAN

Ms. Spraker, Director of Capital Programs, presented a Motion to approve the 2026-27 Proposed Capital Budget and Financial Plan. A copy of the Motion is attached to these Minutes.

A Motion to approve the 2026-27 Proposed Capital Budget and Financial Plan, was raised and forwarded to the Board for approval.

Motion – Julius Lawrence

Seconded – Darlene Lattimore

Carried Unanimously to the Board with a recommendation of approval.

TRAPEZE SOFTWARE MAINTENANCE AGREEMENT

Ms. MacCollum presented a Resolution to authorize payment to Trapeze for the Multiyear Software Maintenance Agreement. A copy of the Motion is attached to these Minutes.

A Motion to authorize payment to Trapeze for the Multiyear Software Maintenance Agreement was raised and forwarded to the Board for approval.

Motion – Robert Cuculich

Seconded – Darlene Lattimore

Carried Unanimously to the Board with a recommendation of approval.

ADJOURNED

There being no further business to come before the Committee, the Audit and Finance Committee Meeting was adjourned.

**CALL TO ORDER** At 9:30 A.M. Chairman Laino called the meeting to order.

- Chairman Laino and the Board Members recited the Pledge of Allegiance
- Chairman Laino noted a quorum was present

## UPCOMING MEETINGS

- Chairman Laino announced the following meetings for January 23, 2026:
  - Pension Meeting – 9:00 AM
  - Audit and Finance Meeting – 9:30 AM
  - Board Meeting – 10:00 AM

## APPROVAL OF THE NOVEMBER 21, 2025, BOARD MEETING MINUTES - MOTION NO. 2812

Motion – Julius Lawrence

Seconded – Heather Snow

Carried Unanimously

## CHIEF EXECUTIVE OFFICER'S REPORT – Mr. Tuff

The following was mentioned, in addition to Mr. Tuff's written report that is attached to these Minutes.

## GOVERNOR'S STATE OF ADDRESS

The Governor's State of the State address will be on January 13 at 1:00pm. Following the address, we should hear what she will propose for State Operating Assistance (STOA) in the Executive Budget.

## WREATHS ACROSS AMERICA

On December 13, Centro participated in the 2025 Onondaga County Wreaths Across America Program. 600 people signed up to volunteer and close to 1,000 showed up in a blinding snowstorm to help. The operations team adapted to the increased attendance and made the event successful.

## LOW/ NO EMISSIONS GRANT PROGRAM

On Monday, December 22, Congressman Mannion will hold a press conference here at Centro about the \$9.28 million award from the Low/No Emissions Grant program. We appreciate our federal partnerships that enabled us to receive this funding to continue supporting BRT.

## HEATHER SNOW

I want to recognize Heather for her award from Oswego County as the 2025 Rural Health Champion by the Rural Health Network of Oswego County. The recognition is given to local leaders who help advance access, equity and well-being across the County. "Heather has spearheaded several key initiatives to improve transportation services in Oswego County" said Oswego County Legislator Mary Ellen Chesbro, District 10, chairwoman of the Oswego County Legislature's Economic Development and Planning Committee. "Under Heather's leadership, the Mobility Management Department has grown to offer more transportation resources, including the new 'Ride Oswego County' app.

## SENIOR STAFF REPORTS

### FLEET AND FACILITIES REPORT – Mr. Hoff

#### INFOTAINMENT

Centro will be testing an infotainment system on a bus. The system will display next bus stop information, media, and notices on interior screens. Testing is anticipated to begin in January, with February as the latest start timeframe.

#### DRIVER BARRIERS

Replacement driver barrier glass and stanchion locking mechanisms are arriving in batches. This replacement campaign is expected to take several months to complete.

#### CNG STATION

The CNG station's first electric skid has been successfully commissioned and is operational. While minor control-related issues have occurred, buses have been fueled successfully. This skid is capable of fueling buses to 3,600 psi in less time than the previous system.

Installation of the second skid is scheduled for January, with overall project completion anticipated in March. There was a temporary system stoppage last night, and Trillium will be onsite to determine the cause. Some intermittent issues are expected as remaining system adjustments are completed.

#### UTICA GARAGE

Wendel has identified a site on Broad Street near the post office and has begun developing design drawings. Next steps include initiating the environmental review process under NEPA (National Environmental Policy Act) and SEQRA (State Environmental Quality Review Act), which are ready for submission to the FTA and the State.

David Carricchio and EJ Moses have done an excellent job keeping this project moving forward. The board will be kept updated on progress.

Per FTA requirements to protect FTA-funded assets, fencing with gated access will be installed around the property.

### INFORMATION TECHNOLOGIES REPORT – Mr. Fong

#### CYBERSECURITY UPDATE

Our latest phishing simulation results that ended in October are in, and we still have a lot of room for improvement. While 116 emails were sent and 30 were correctly reported, we had eight instances of employees engaging with malicious links or attachments.

In response, we've mandated immediate remedial training for those individuals to close our security gaps. We're constantly working to instill a culture where every employee acts as a human firewall.

We know this training works. Just recently, a real-world phishing email—which cleared our email security system—was stopped by Chris Tuff. He recognized the threat and reported it, preventing a likely breach of his credentials. The hackers attempted this by sending an attachment that had an embedded malicious QR code. So good on Chris for remaining vigilant.

Our security technology is excellent, but it isn't perfect. Continuous training ensures that when technology fails, our people don't."

#### OPERATION/TRANSPORTATION REPORT – Mr. Azria

On an annual basis, the FTA requires operators of public transportation systems to submit a Public Transportation Agency Safety Plan (PTASP).

Centro updated its PTASP plan for 2025, and Digital copies were sent out with the December board packet.

The PTASP includes the authority's safety management policy, risk management, annual safety performance targets, safety assurance measures, and safety promotion initiatives

It is a living document - in that it is continuously updated alongside any applicable changes to policies, procedures, training, etc.

NYS Public Transportation Safety Board (PTSB) also requires that we have a System Safety Plan and to ensure we are not duplicating our efforts for State and Federal requirements, Centro's PTASP was written as a composite Safety Plan to satisfy both federal and state requirements.

Some of the updates for the 2025 plan include:

- Revisions to safety performance measures, objectives, and targets, as well as risk mitigation strategies.
- The addition of a Maintenance Safety Committee (like the Driver Safety Committee which already existed)
- A new safety management system (SMS), which was fully rolled out last December across all properties
- Several minor administrative updates such as title and name changes for some positions.

Prior to submission to the FTA, the plan must be approved by the Centro 8-member Labor Safety Committee (done prior to board meeting) as well as Centro's Board.

#### 2025 CNYRTA PUBLIC TRANSPORTATION SAFETY PLAN (PTASP) – MOTION NO. 2813

Mr. Azria presented the 2025 CNYRTA Public Transportation Safety Plan to the Board for approval.

A Motion to adopt the 2025 CNYRTA Public Transportation Safety Plan was raised.

Motion –Julius Lawrence  
Seconded – Heather Snow  
Carried Unanimously

#### BUSINESS DEVELOPMENT AND CORPORATE COMMUNICATIONS REPORT – Mr. Koegel

Mr. Koegel reported that ridership for the Month of November compared to last year was essentially flat. He also presented the board with an equity analysis of proposed service changes in Oswego County. This included public comments regarding such changes. While most comments were favorable, there were some comments that raised concerns about changes to the bus stop serving Fulton Mills in Fulton.

#### BETTER BUS OSWEGO SERVICE CHANGE – RESOLUTION NO. 2669

Mr. Koegel presented a Resolution to move forward and approve the service changes on January 26<sup>th</sup>, 2026. A copy of the Better Bus Oswego Title VI – Major Service Change: Public Hearing Executive Summary Packet is attached to these Minutes.

A Motion to approve the service changes on January 26<sup>th</sup>, 2026, was raised.

Motion – Heather Snow  
Seconded – Darlene Lattimore  
Carried Unanimously

#### AUDIT AND FINANCE COMMITTEE REPORT

#### NOVEMBER 30, 2025, STATEMENT OF REVENUE & EXPENDITURES – MOTION NO. 2813

Ms. Brim presented a Motion to approve the November 30, 2025, Statement of Revenue and Expenditures. A copy of the Motion is attached to these Minutes.

A Motion to approve the November 30, 2025, Statement of Revenue and Expenditures, was raised.

Motion – Louella Williams  
Seconded – Julius Lawrence  
Carried Unanimously

#### 2026-27 PROPOSED OPERATING BUDGET AND FINANCIAL PLAN – MOTION NO. 2814

Mr. Sherman, Director of Accounting, presented a Motion to approve the 2026-27 Proposed Operating Budget and Financial Plan. A copy of the Motion is attached to these Minutes.

A Motion to approve the 2026-27 Proposed Operating Budget and Financial Plan was raised.

Motion – Louella Williams  
Seconded – Darlene Lattimore  
Carried Unanimously

2026-27 PROPOSED CAPITAL BUDGET AND FINANCIAL PLAN – MOTION NO. 2815

Ms. Spraker, Director of Capital Programs, presented a Motion to approve the 2026-27 Proposed Capital Budget and Financial Plan. A copy of the Motion is attached to these Minutes.

A Motion to approve the 2026-27 Proposed Capital Budget and Financial Plan, was raised.

Motion – Heather Snow  
Seconded – Darlene Lattimore  
Carried Unanimously

TRAPEZE SOFTWARE MAINTENANCE AGREEMENT – RESOLUTION NO. 2670

Ms. MacCollum presented a Resolution to authorize payment to Trapeze for the Multiyear Software Maintenance Agreement. A copy of the Motion is attached to these Minutes.

A Motion to authorize payment to Trapeze for the Multiyear Software Maintenance Agreement was raised.

Motion – Louella Williams  
Seconded – Darlene Lattimore  
Carried Unanimously

OLD BUSINESS

Mr. Julius Lawrence wanted to thank everyone for attending the South West Community Center's 50<sup>th</sup> celebration.

NEW BUSINESS

None

EXECUTIVE SESSION – MOTION NO. 2816

A Motion to move the meeting into Executive Session to obtain advice from counsel was raised.

Motion – Robert Cuculich  
Seconded – Darlene Lattimore  
Carried Unanimously

No action was taken in Executive Session.

ADJOURNED

There being no further business to come before the Board, the CNYRTA and its Subsidiaries Board meeting was adjourned.

Chairman

ATTEST:

---

Secretary

TO: CNYRTA Board of Members  
FROM: Christopher Tuff, Chief Executive Officer  
RE: Monthly Summary Report – January 2026  
DATE: January 15, 2026

### **Congressman Mannion**

On December 22, 2025, Congressman John Mannion held a press conference here at Centro to highlight the \$9.2 million Low-No emissions award. Mayor Ben Walsh, Mayor-Elect Owens, Chairman Laino and I joined him in highlighting the importance of this funding for the Bus Rapid Transit project. We thank all of our Federal partners for their support of this award.

### **State of Centro**

On January 7, I brought staff together across all five counties to present the 2026 State of Centro. The presentation highlighted our accomplishments in 2025; the exciting things planned through 2026. I highlighted that in the coming years we will be facing deficits and the plans that we have to try to tackle them. I concluded by sharing the vision I have for the Authority as we move forward with the future of Centro.

### **System Redesign and Bus Rapid Transit**

Steve, Bren, and I have been meeting with several key stakeholders over the last few weeks to discuss the System redesign and the bus rapid transit. Since the New Year, we have met with OCM BOCES, OCC, St. Joe's Hospital, CenterState CEO, and Crouse Hospital. These meetings gave an overview of both projects and allowed for conversation and feedback as we finalize the system redesign to go live in 2027.

### **County Legislator Block**

On January 13<sup>th</sup>, Steve, Bren, and I met with the newly elected County Legislator Block, of District 5. We gave her an overview of the system redesign and answered her questions about the service changes in her district. We concluded the meeting with a tour of the facility.

### **City of Utica Mayor Galime**

On January 14, Chairman Laino and I met with Utica Mayor Galime. We discussed the service in Utica and how we can continue to build a stronger public transit network in the city. There is continued growth in the Utica area, and we are excited to be part of it.

### **Various Meetings**

Continued meetings to discuss the following items and move these projects forward. The topics include, but are not limited to, Capital Planning, Recruiting, RPM Program, NYPTA, SMTA, Arcadis (Transportation Consultants).

# Audit and Finance Committee Agenda

Presented by Melissa Brim, Vice President of Finance  
January 23, 2026

## Board Actions Motions and Resolutions

### MOTIONS:

2025-26 Third Quarter Financial Statements

### RESOLUTIONS:

Clever Devices Hardware Infrastructure Upgrade Equipment– C. King

### SUPPLEMENTAL INFORMATION:

Investment Report

Mortgage Recording Tax (MRT) Statement

Statement of Cash Flow

Procurement Summary

Capital Program and Planning Summary

### ITEMS REQUIRING FUTURE BOARD ACTION:

January 31, 2026, Statement of Revenue & Expenditures

February 28, 2026, Statement of Revenue & Expenditures

2026-27 Budget and Financial Plan

Total Liabilities, Deferred Inflows and Net Position	194,219,585	182,967,005	11,252,580	6.2%

## STATEMENT OF NEW POSITION

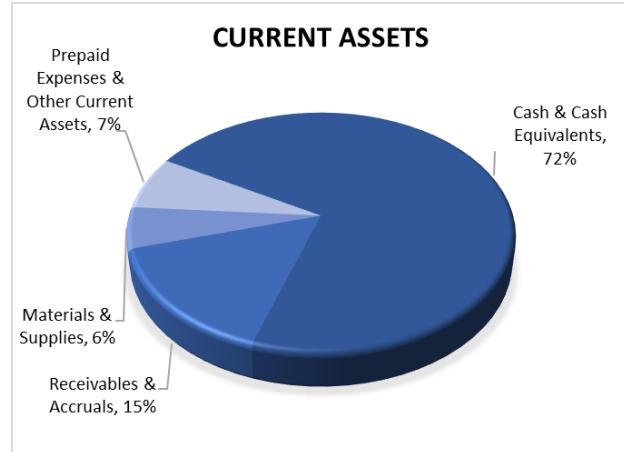

As of December 31, 2025, the Authority's quick ratio is 9.41, an improvement from 7.92 in the third quarter of 2024–25. This indicates that CNYRTA has approximately \$9.41 in current assets available for every \$1 of current liabilities, reflecting a strong liquidity position.

**Current Assets** total \$63.7 million, an increase of \$5 million, or 8.6%, compared to December 2024.

	Current Year	Prior Year	Current Year Change	Current Year % Change
<b>Current Assets</b>				
Cash, Cash Equivalents & Investments	45,719,698	36,762,145	8,957,553	24.4%
Receivables & Accrued Receivables	9,888,333	12,632,626	(2,744,293)	-21.7%
Materials & Supplies	3,545,738	3,830,014	(284,276)	-7.4%
Prepaid Expenses & Other Current Assets	4,569,507	5,461,933	(892,426)	-16.3%
<b>Total Current Assets</b>	<b>63,723,276</b>	<b>58,686,718</b>	<b>5,036,558</b>	<b>8.6%</b>

**Cash, Cash Equivalents & Investments** balance totals \$45.7 million, representing an increase of \$9 million over the same period last year. This increase is primarily attributable to lower receivable balances, investment income earned during the year, and increased annual State Transit Operating Assistance (STOA) payments.

The Authority continues to maximize returns on idle cash through a conservative, low-risk investment strategy focused on U.S. Treasury bills. Staff will continue to closely monitor cash flow and upcoming obligations to ensure adequate liquidity and the timely fulfillment of operational needs.

**Receivables & Accrued Receivables** total \$9.8 million, a decrease of \$2.7 million compared to December 2024.

**Trade Receivables and Accruals** balance total is \$1.6 million, representing an increase of \$468 thousand compared to December 2024, primarily due to contracted service receivables and higher contract billing rates. Approximately 78% of these receivables are within 30 days of their due date.

**Mortgage Tax Receivables** balance total is \$892 thousand, an increase of \$200 thousand compared to December 2024. This increase reflects a combination of aged Mortgage Recording Tax (MRT) receivables and continued strength in the local real estate market.

These receipts are typically used to support the local share of capital purchases. In addition to meeting current funding needs, the Authority reserves a portion of these funds to help establish and maintain financial reserves.

**Operating Assistance Receivables** balance total is \$4.3 million, an increase of \$3.4 million compared to December 2024. This balance primarily consists of New York State Section 5311 operating assistance and COVID-19 relief funding from the American Rescue Plan (ARP) and the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA) for Cayuga, Oswego, Rural Onondaga, and Oneida Counties. Approximately \$4 million in reimbursement is pending with New York State.

**Grant Receivables** total \$3.1 million, representing a decrease of \$6.6 million compared to December 2024. The balance includes \$1.9 million in Federal Transit Administration (FTA) grant reimbursements and \$1.1 million in New York State grant reimbursements.

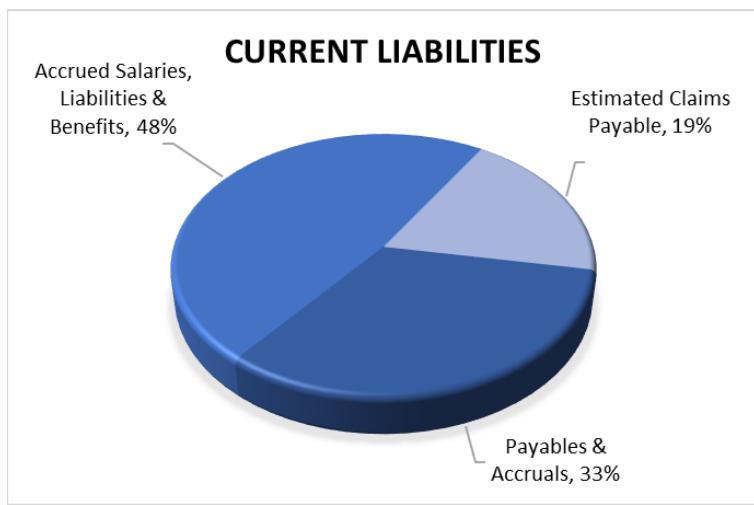

Subsequent to monthend, \$1.9 million in FTA grant reimbursements was received, and \$1 million in New York State grant reimbursements was approved by the New York State Department of Transportation and payments are pending.

**Materials & Supplies** total \$3.5 million, a decrease of \$284 thousand compared to December 2024. This reduction reflects ongoing inventory reviews, the timely disposal of obsolete parts, and continued efforts to optimize inventory levels, supporting stronger controls and improved inventory management efficiency.

**Prepaid Expenses and Other Current Assets** total \$4.6 million, a decrease of \$892 thousand compared to December 2024. This decrease is primarily due to a reduction in cash collateral held for the workers' compensation program.

**Current Liabilities** total \$5.9 million, reflecting a \$324 thousand, or 5.2% decrease compared to December 2024.

	Current Year	Prior Year	Current Year Change	Current Year % Change
Current Liabilities				
Accounts Payable & Accrued Expenses	1,953,609	2,491,137	(537,529)	-21.6%
Accrued Salaries, Liabilities & Benefits	2,834,746	2,895,533	(60,787)	-2.1%
Estimated Claims Payable	1,122,193	847,863	274,330	32.4%
Total Current Liabilities	5,910,548	6,234,533	(323,986)	-5.2%

**Accounts Payable & Accrued Expenses** total \$2 million, a decrease of \$538 thousand compared to December 2024. This decrease is primarily attributable to the timely processing of vendor invoices, supported by the accounting department being fully staffed.

**Accrued Salaries, Liabilities & Benefits** balance totals \$2.8 million, generally consistent with the balance as of December 2024, with a modest decrease of \$60 thousand.

**Estimated Claims Payables** balance totals \$1.1 million, an increase of \$274 thousand compared to December 2024. This increase reflects an adjustment made on March 31, 2025, to the UMR Incurred But Not Reported (IBNR)

reserve to more accurately reflect the Authority's estimated outstanding claims liability.

## STATEMENT OF REVENUES AND EXPENDITURES

Central New York Regional Transportation Authority  
Consolidated Statement of Revenues and Expenditures  
From 04/01/2025 through 12/31/2025

## STATEMENT OF REVENUE AND EXPENDITURES

After nine months ending December 31, 2025, the Authority reports a consolidated operating income of \$3.7 million, excluding capital contributions and non-operating expenses. This positive result reflects strong operating performance in the early part of the fiscal year.

### Operating Revenues

Total operating revenues amount to \$11.3 million, representing a \$1 million (9.8%) increase compared to the same period in prior year. Revenues also exceeded budget projections by \$694 thousand (6.6%), driven by higher-than-anticipated service demand and revenue recovery efforts.

	Actual	Budget	Budget Change	% Change to Budget	Prior Year Actual	CY to PY Change	% Change CY to PY
<b>Operating Revenue</b>							
Passenger Revenues	9,517,401	8,823,225	694,176	7.9%	8,522,409	994,993	11.7%
Advertising & Other Revenue	1,773,275	1,773,707	(432)	0.0%	1,764,409	8,866	0.5%
<b>Total Operating Revenue</b>	<b>11,290,676</b>	<b>10,596,932</b>	<b>693,744</b>	<b>6.6%</b>	<b>10,286,818</b>	<b>1,003,859</b>	<b>9.8%</b>

Passenger revenues are 7.9% over budget expectations, and 11.7% over prior year.

**Regular line passenger revenues** are performing 6% over budget expectations and are 9% over the same period last year. This continued growth is driven by stronger farebox activity, increased pass sales, and higher utilization of Mobility On Demand (MOVE) services. Total ridership across both fixed-route and demand-response services has increased 5% year-over-year, underscoring the community's growing reliance on transit as a dependable and cost-effective mobility option.

**Special line passenger revenues** are performing 9% over budget expectations and 14% over prior year. This performance reflects both scheduled and unscheduled contract rate adjustments, expanded coverage for SU Dome Event Service, and increased demand for contracted transportation. In addition, ridership during the Great New York State Fair exceeded expectations and prior year levels. These results demonstrate how community partnerships and seasonal services help diversify revenue streams and contribute to strong overall financial performance.

**Advertising and other revenues** are performing in line with both budget expectations and prior-year results. While growth in these categories is more modest than passenger revenues, they continue to provide a stable and reliable source of income. This consistency supports diversification of the Authority's revenue base and contributes to long-term financial stability.

### Operating Expenses

As of December 31, 2025, operating expenses total \$69.1 million, representing a \$5.2 million (8.2%) increase compared to prior year. Current year expense are performing \$7.1 million (9.3%) under the budgeted expectations.

	Actual	Budget	Budget Change	% Change to Budget	Prior Year Actual	CY to PY Change	% Change CY to PY
<b>Operating Expenses</b>							
Personnel Expenses	48,316,334	54,702,214	6,385,880	-11.7%	46,695,368	1,620,966	3.5%
Non-Personnel Expenses	20,790,477	21,493,101	702,624	-3.3%	17,168,023	3,622,455	21.1%
<b>Total Operating Expenses</b>	<b>69,106,812</b>	<b>76,195,314</b>	<b>7,088,502</b>	<b>-9.3%</b>	<b>63,863,391</b>	<b>5,243,421</b>	<b>8.2%</b>

Personnel expenses are performing \$6.3 million (12%) below budget expectations and are \$1.6 million (4%) higher than the same period last year. All major personnel cost categories are under budget, reflecting favorable variances across wages, benefits, and related costs.

The personnel budget is developed assuming full staffing levels throughout the fiscal year. Ongoing vacancies, particularly among bus operators and administrative positions, remain the primary driver of the favorable budget variance. While these vacancies reduce current personnel costs, they also create operational pressures, including increased reliance on overtime and additional workload for existing staff to maintain service delivery and meet operational deadlines.

On a year-over-year basis, most personnel-related expenses have increased due to negotiated wage adjustments and the natural escalation of benefit costs. Pension expenses, however, continue to trend below prior year levels, while healthcare expenses are generally in line with last year. Over recent months, healthcare costs have fluctuated above and below prior year levels and have now stabilized, reflecting normal variations in claims activity and timing inherent in a self-insured health plan.

The favorable pension variance is largely attributable to the most recent actuarial valuation and lower 401(a) plan costs, with a significant portion of May contributions funded through available forfeited funds. These factors have helped offset increases in other personnel-related costs and continue to support overall expense control and financial stability.

**Non-personnel expenses** are performing \$703 thousand (3%) below budget expectations but are \$3.6 million (21%) higher than the same period last year. All non-personnel expense categories are under budget, with the exception of Risk Management.

Compared to the prior year, most non-personnel expense categories reflect a mix of anticipated and unanticipated variances. As expected, many categories have increased year-over-year, while Purchased Transportation, Materials and Supplies, and Other expenses are trending below prior year levels. The most significant increase continues to be within Risk Management.

**Risk Management expenses** are currently 66% over budget and more than double the amount recorded during the same period last year. This unfavorable variance is primarily driven by higher insurance policy premiums and increased self-insurance claim costs under the Authority's Auto General Liability (GL) program. A significant portion of these costs relates to prior year incidents that are being resolved or paid in the current fiscal year.

The combined impact of rising insurance premiums and legacy claim activity continues to place pressure on this category, making Risk Management the largest non-personnel cost variance year to date. Management is actively monitoring claim trends, evaluating reserve adequacy, and working with insurance partners to help mitigate future premium increases. In parallel, targeted efforts are underway to strengthen safety initiatives, enhance risk assessment practices, and reduce both the likelihood and severity of future claims.

**Purchased Transportation expenses** are currently 12% below budget expectations and consistent with prior year levels. While contracted vendor rates and demand for Call-A-Bus (CAB) services have increased, the implementation of the Via platform has significantly improved scheduling efficiency. Vendors have also required fewer supplemental "as-needed" runs, contributing to additional cost savings.

**Materials/Supplies and Services expenses** are under budget but exceed prior year levels. These variances primarily reflect planned spending on bus parts. However, the Authority is realizing higher-than-anticipated savings due to the newer bus fleet delivered last year, which has reduced maintenance requirements and associated costs.

## Non-Operating Revenues

Non-operating revenues total \$61.5 million, which \$2.6 million (4%) below budget expectations, and are reflecting a \$1.5 million (2.5%) increase over prior year.

	Actual	Budget	Budget Change	% Change to Budget	Prior Year Actual	CY to PY Change	% Change CY to PY
<b>Non-Operating Revenue</b>							
Operating Assistance	52,121,455	57,507,300	(5,385,845)	-9.4%	52,540,367	(418,912)	-0.8%
Mortgage Tax Revenue	8,363,479	6,200,000	2,163,479	34.9%	6,354,422	2,009,057	31.6%
Gain/Loss on Disposal of Capital	80,993	37,500	43,493	116.0%	42,484	38,509	90.6%
Investment Revenue	976,606	375,103	601,503	160.4%	1,128,459	(151,854)	-13.5%
<b>Total Non-Operating Revenue</b>	<b>61,542,533</b>	<b>64,119,903</b>	<b>(2,577,370)</b>	<b>-4.0%</b>	<b>60,065,732</b>	<b>1,476,800</b>	<b>2.5%</b>

**Operating assistance** revenues are currently 9.4% below budget expectations and in line with prior year results. This variance continues to be driven by the Authority's strategic approach to revenue recognition. While State Transit Operating Assistance (STOA) has increased, the Authority has intentionally conserved federal and state Preventive Maintenance (PM) funds, drawing on them only as needed. PM utilization is evaluated monthly and applied strategically during periods of elevated operating costs to help stabilize financial results. This disciplined approach supports long-term financial flexibility and preserves resources for future needs.

**Mortgage tax revenues** continue to perform exceptionally well, and are currently 34.9% above budget expectations and 31.6% higher than last year. This strong performance reflects continued strength in regional real estate markets. However, due to the inherent volatility of this revenue source, the Authority will maintain a cautious outlook by closely monitoring market trends and using conservative planning assumptions to mitigate potential fluctuations.

**Investment revenues** are exceeding budget expectations by more than 100%, although they remain 13.5% below prior-year levels. Current investment yields are below 4% but remain favorable relative to budget assumptions. The Authority will continue to strategically invest idle cash to maximize earnings while maintaining sufficient liquidity to support operating activities and capital program commitments.

## PROCUREMENT

### Active Procurements

The following open contracts actively moving through the process:

- Real Time Signage
- Bus Shelter and Parking Lot Janitorial Services
- Public Relations
- Term Design and Engineering
- HVAC Inspection & Repair Services
- Oil Water Separator Installation and Trench Drain Repair
- Endpoint Security
- Retiree Drug Subsidiary Reopening Services
- Overhead Door Maintenance
- Cooling Tower Replacement
- Syracuse Siding Repair & Replacement
- Clever Devices Hardware Infrastructure Upgrade Equipment
- Electrical Services

### Future Procurements

Items requiring future board action:

Within 2 months:

- Real Time Signage
- Bus Shelter and Parking Lot Janitorial Services
- Public Relations
- Term Design and Engineering
- Cooling Tower Replacement
- Retiree Drug Subsidiary Reopening Services

Within 6 months:

- HVAC Inspection & Repair Services
- Oil Water Separator Installation and Trench Drain Repair
- Endpoint Security
- Overhead Door Maintenance
- Syracuse Siding Repair & Replacement
- Electrical Services

**Supplemental Funds for the Innovative Mobility Initiative:** \$9.1 million of state-dedicated funds from the federal Carbon Reduction Program (CRP) for *capital expenditures* to support innovative On-Demand transit services. Plans are under review.

##### Awarded Applications

NA.

### Capital Planning

The Central New York Regional Transportation Authority's (CNYRTA) Capital Planning Committee continues to meet regularly to assess the Authority's capital needs and to guide both short- and long-term investments in alignment with the Capital Improvement Plan (CIP). The Committee's work ensures that capital resources are prioritized effectively, addressing immediate operational requirements while also supporting the Authority's long-range strategic goals.

Key projects currently in the execution phase include:

- Bus Rapid Transit (BRT) Planning
- Compressed Natural Gas (CNG) Electrical Service
- CNG Facility Upgrades
- Oneida Facility Consolidation Planning
- Various Building Improvements and Technology

The Authority remains focused on leveraging available funding to advance these initiatives while positioning CNYRTA to meet the mobility and infrastructure needs of the community well into the future.

**RESOLUTION TO AUTHORIZE THE PURCHASE OF  
CLEVER DEVICES HARDWARE INFRASTRUCTURE UPGRADE EQUIPMENT**

**WHEREAS**, the Central New York Regional Transportation Authority (CNYRTA) has a need for a qualified vendor to furnish new equipment needed to upgrade the Clever Devices hardware infrastructure; and

**WHEREAS**, this contract will be paid for using grant funds with an 80% Federal share, 10% State share and 10% Local share; and

**WHEREAS**, the Request for Quote was sent on December 19, 2025; and

**WHEREAS**, three (3) vendors were invited; and

**WHEREAS**, three (3) quotes were received on January 5, 2026, with the lowest responsive and responsible quote received from Lyon Micro, LLC; and

**WHEREAS**, the price was determined to be fair and reasonable based upon comparison with the other quotes and the independent cost estimate; and

**WHEREAS**, The staff of CNYRTA is aware of no interest held by any Member of the CNYRTA or any staff member thereof or any family member of such individual in the firm to which this contract is made; and

**WHEREAS**, To the best of our knowledge and belief, no member of the governing body of CNYRTA, or its subsidiaries, and no other officer, employee or agent of CNYRTA, or its subsidiaries, whether or not exercising any functions or responsibilities in connection with the carrying out of the project to which this contract pertains, during his/her tenure or two years thereafter, has any personal interest, direct or indirect in this contract; and

**WHEREAS**, To the best of our knowledge and belief, no member of the governing body of the CNYRTA, or its subsidiaries, and no other officer, agent, servant or employee employed by or appointed by CNYRTA, or its subsidiaries, is in any way or manner interested, directly or indirectly, as principal, surety, or otherwise, in this contract.

**WHEREAS**, to the best of our knowledge and belief, this award is consistent with the Code of Ethical Conduct for Members of the Central New York Regional Transportation Authority originally adopted by it on July 20, 1990, as Motion No. 775, and as revised and updated on April 25, 2008, as Motion No. 1709.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF MEMBERS OF THE CENTRAL NEW YORK REGIONAL TRANSPORTATION AUTHORITY**, that the Chief Executive Officer or his designee is authorized to issue a purchase order for equipment needed to upgrade the Clever Devices hardware infrastructure to Lyon Micro, LLC, in the amount of \$165,821.21.

**FACT SHEET**  
**CLEVER DEVICES HARDWARE INFRASTRUCTURE UPGRADE EQUIPMENT**

**PROJECT DESCRIPTION:** The CNYRTA has a need for a qualified vendor to furnish new equipment needed to upgrade the Clever Devices hardware infrastructure.

**FUNDING:** This contract is to be paid for using grant funds with an 80% Federal share, 10% State share and 10% Local share.

**PRICING RECEIVED:**

Description	Lyon Micro, LLC.	Teracai Corp.	CompCiti Business Solutions, Inc
Clever Devices Hardware Infrastructure Upgrade Equipment	\$165,821.21	\$244,790.00	\$315,100.00

**COMMENTS:** Much of the existing equipment has reached end-of-life and is no longer supported. This upgrade includes switches, storage, and servers.

**RECOMMENDATION:** Staff recommends the Board authorize the issuance of a purchase order to Lyon Micro, LLC., in the amount of \$165,821.21 to furnish new equipment needed to upgrade the Clever Devices hardware infrastructure.

# Fourth Quarter 2025 Overview

- ▲ All major asset classes finished with positive returns; global stocks were buoyed by strong corporate earnings and enthusiasm about AI, while bond values climbed higher as interest rates fell.
- ▲ International equity performance led the way in 2025, with returns boosted by a declining dollar and rising valuation multiples amid improving opportunities in developed and emerging markets.
- ▲ The Fed continued cutting its interest rate target to shore up a softening labor market, even as inflation remained above target; rate projections from Fed officials reflect a lack of consensus about the outlook.
- ▲ The U.S. economy remained on solid footing as consumer spending continued to increase, bolstered by rising real incomes and record levels of household wealth.

# Global Equity Markets

- Stocks across the globe posted robust total returns in 2025, buoyed by strong corporate earnings and expectations for continued growth
- International equity returns were further boosted by a declining dollar and rising valuation multiples, as investors looked outside the U.S. for areas poised to benefit from technological innovation, increased fiscal spending, and corporate governance reforms

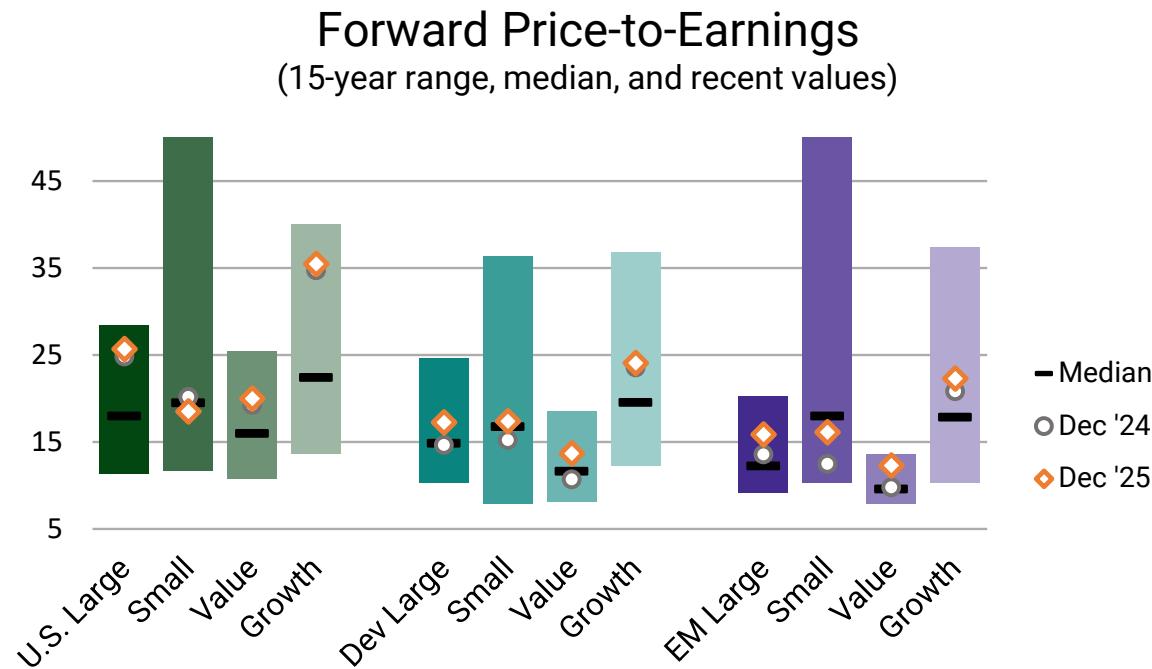

2025 Global Equity Returns by Source

Source: Bloomberg. Indices used: Russell 3000, MSCI World ex USA, MSCI Emerging Markets. Earnings impact based on changes in earnings estimates. Valuation impact based on the change in forward P/E ratio. Currency return is the difference between USD and local currency returns for international indices.

# Global Equity Valuations

- Equity valuations held firm in the U.S. for most segments in 2025, while prices for smaller companies declined slightly relative to expected earnings
- International stock valuations rose on the year, as earnings optimism and attractive prices relative to U.S. stocks lifted multiples from their low starting levels

Source: Bloomberg. Indices used: S&P 500, S&P 600, Russell 3000 Value, Russell 3000 Growth, MSCI EAFE, MSCI EAFE Small Cap, MSCI EAFE Value, MSCI EAFE Growth, MSCI EM, MSCI EM Small Cap, MSCI EM Value, MSCI EM Growth.

# Artificial Intelligence

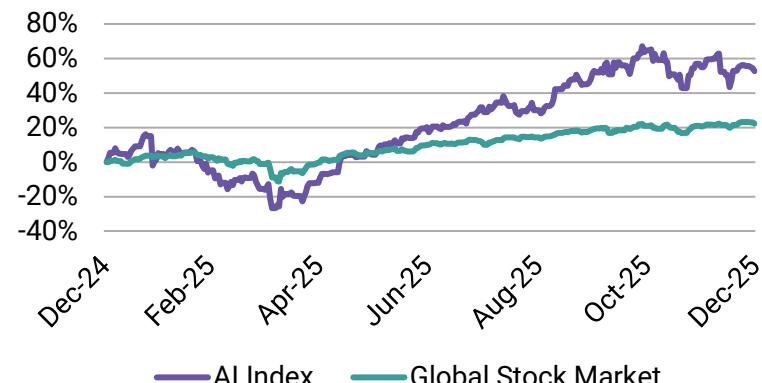

## AI stocks dominated global market returns

- AI-related companies strongly influenced global markets, including those companies providing computing capacity, cloud infrastructure, power generation, and AI-enabled services
- Investor enthusiasm about the potential benefits of AI led large growth-oriented tech companies in the U.S. to outperform other large cap stocks
- In U.S. small cap, investor speculation led AI-related companies with little or no earnings to outperform more profitable companies

## AI hyperscalers increased spending

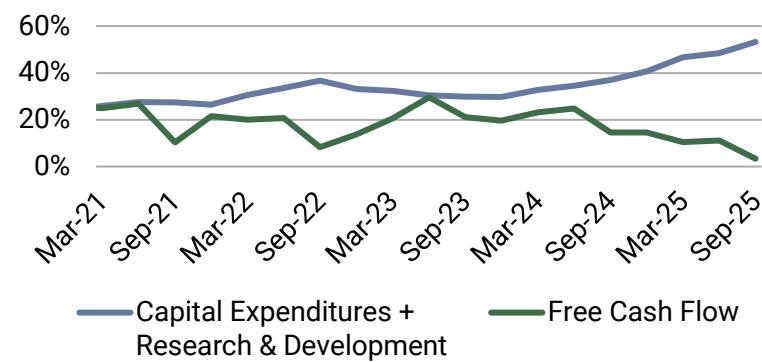

- Investment expenditures for firms building out AI cloud infrastructure surged in 2025 at the expense of free cash flow
- A key question for investors is whether AI spending will generate enough return on investment to satisfy investors' expectations
- Diversification remains an important principle given the uncertainty presented by the current AI narrative in markets

## AI Stocks vs. Global Market

Source: Bloomberg. Morgan Stanley Broad AI Index and MSCI All Country World Index

## AI Hyperscalers (% of revenues)

Source: Bloomberg. "AI hyperscalers" is an equal-weighted composite of 5 companies making significant investments to provide cloud infrastructure essential for AI development: Amazon, Meta, Oracle, Alphabet, and Microsoft.

# Diversification Benefits

# U.S. Consumers

## Consumer spending drove economic growth

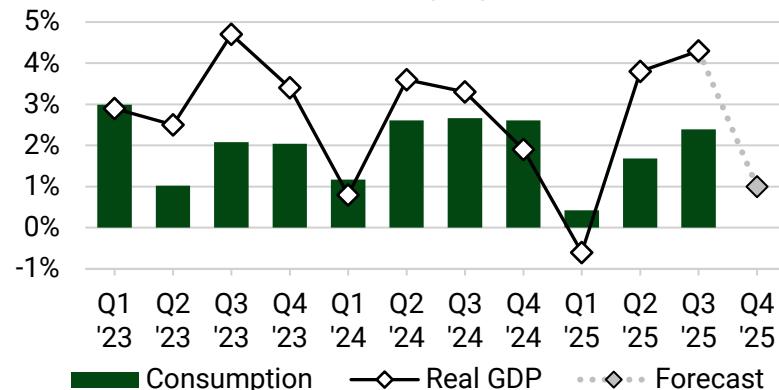

- Inflation-adjusted consumer spending continued to increase in 2025 despite consumer sentiment falling to near-record lows
- Rising real incomes, record household wealth levels, and a relatively stable job market bolstered consumers' ability and willingness to spend
- Economists expect higher consumer spending again in Q4 but slower overall growth amid a pullback in government spending due to the shutdown

## Household finances are relatively healthy

- While debt payments were elevated on an absolute basis, higher earnings kept the overall debt-to-income ratio below long-term averages
- Delinquencies on credit cards and auto loans rose above pre-pandemic trends but remained below levels prior to the Great Financial Crisis
- Wage growth for the bottom quartile of earners has lagged that of the average worker since late 2024

## Real GDP and Consumption

percent change, seasonally adjusted annual rates

## Household Debt Service Level

percent of disposable personal income

Source: U.S. Bureau of Economic Analysis, Federal Reserve Bank of St. Louis. "Consumption" is contribution to percent change in total Real GDP. "Forecast" is economists' expectations from Bloomberg on 12/31/2025. "Household Debt Service Level" is total household debt principal and interest payments as a percent of disposable personal income.

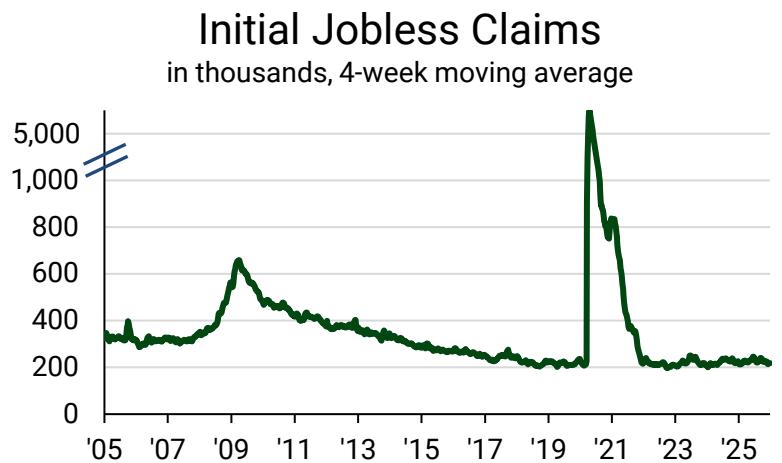

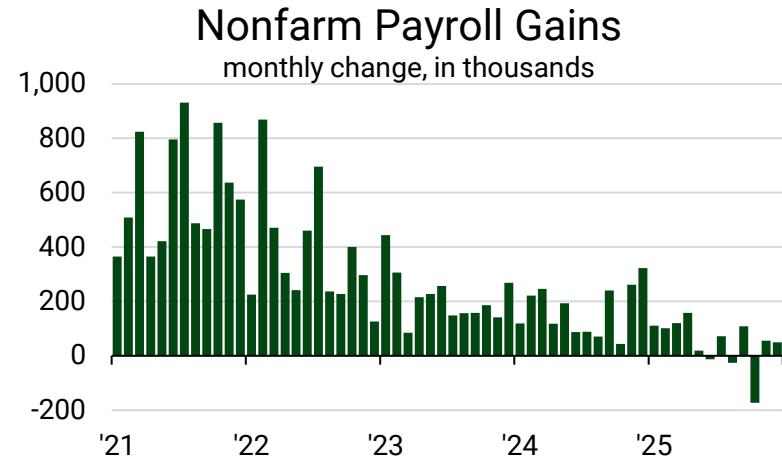

# U.S. Employment

## Labor market conditions softened

- Job creation slowed as companies hired fewer new employees and the pace of growth in the workforce leveled off
- The December 2025 unemployment rate remained moderate at 4.4%, reflecting relatively balanced slowdowns in labor demand and supply
- The number of job seekers was roughly on par with the number of open positions throughout the second half of 2025

## Jobless claims remained relatively low

- Current employees have largely been retained, as companies have been hesitant to implement workforce reductions
- Evidence indicates a two-tiered labor market: a favorable environment for employed workers as layoffs remained low, but unfavorable conditions for unemployed job seekers as hiring slowed
- For those who were employed, the annual growth rate of average hourly earnings remained relatively solid at 3.8% in December 2025

Source: U.S. Bureau of Labor Statistics, Federal Reserve Bank of St. Louis.

# Federal Reserve

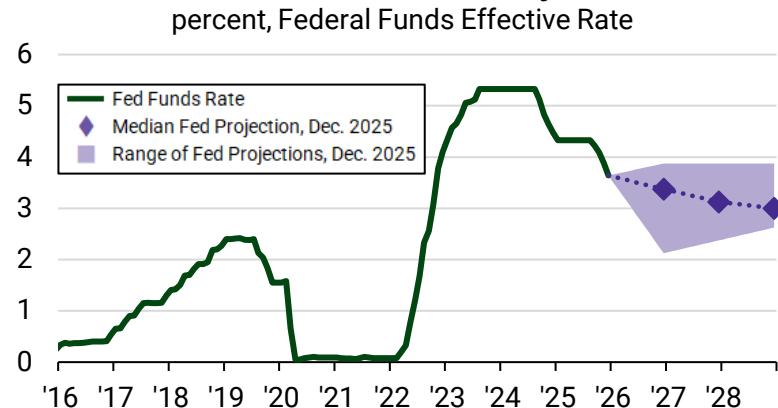

The Federal Reserve lowered its target interest rate by a quarter point in December

- This was the Fed's third quarter-point rate cut in 2025, following a cumulative reduction of one full percentage point in the second half of 2024
- The Fed intended to shore up a softening labor market even as inflation remained above target; headline CPI was 2.7% in December 2025
- The median Fed projection pointed to lower future rates, but the range of individual officials' projections reflected a lack of consensus

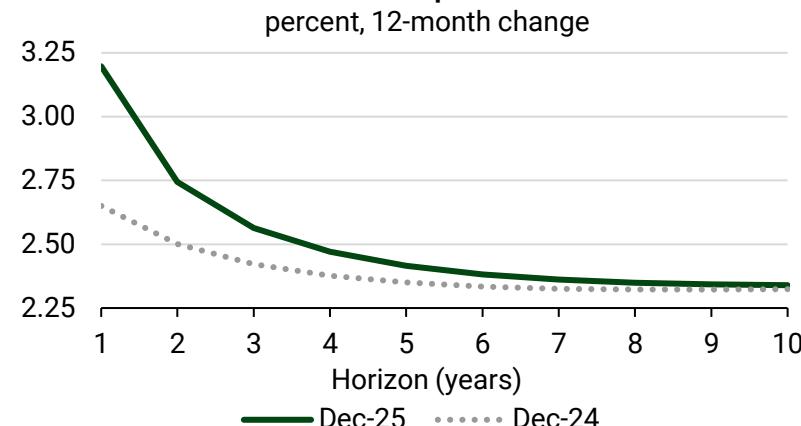

## Near-term inflation expectations rose

- Expected inflation for one year ahead shifted higher over the past year, while longer-term expectations remained anchored
- Higher anticipated near-term inflation was the result of the expected impact from tariffs, fiscal stimulus, and ongoing economic growth
- The Fed faces a challenging policy outlook, as the labor market shows signs of softening and inflation remains above target

## Fed Funds Rate & Projection

## Inflation Expectations

Source: Bloomberg, Federal Reserve Board of Governors, Federal Reserve Bank of Cleveland. "Fed projections" are based on FOMC estimates from the December 2025 Summary of Economic Projections. "Inflation Expectations" are Federal Reserve Bank of Cleveland calculations based on a combination of surveys, market data, and academic models.

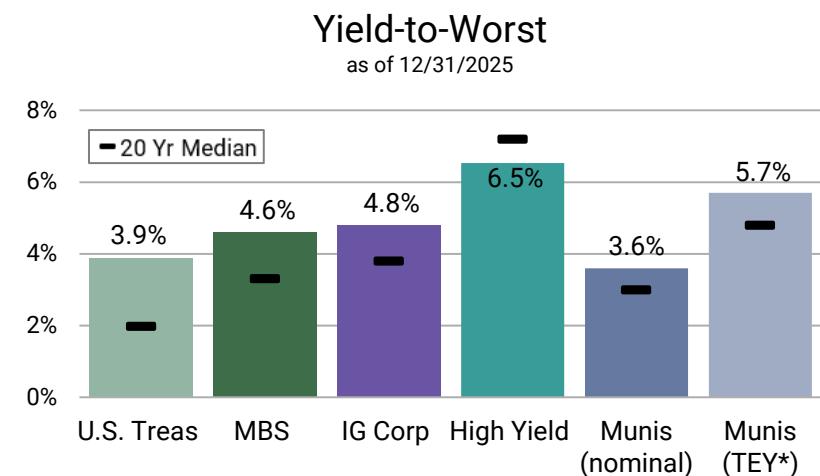

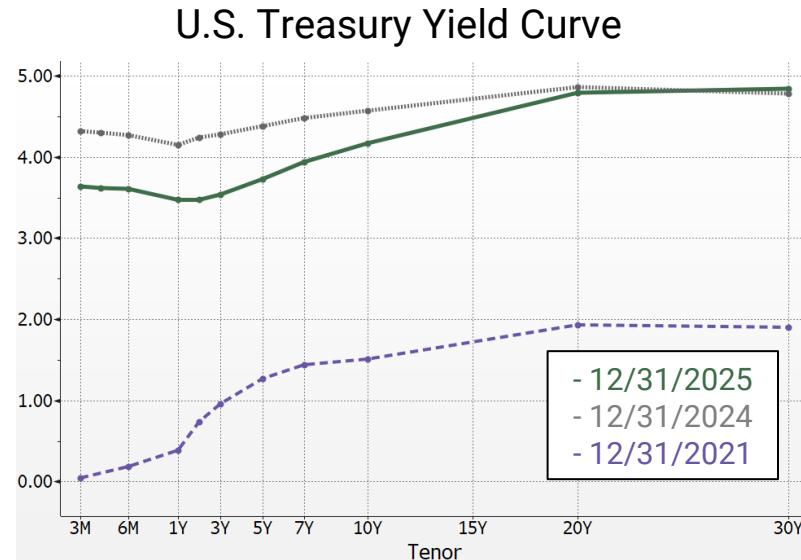

# Bond Market

Higher starting yields and declining rates drove strong U.S. Treasury returns

- Short-term yields moved lower as the Federal Reserve cut rates in 2025
- Intermediate yields also declined, reflecting expectations for lower future rates amid a softer labor market and relatively stable inflation
- Long-term yields did not decline, due to concerns regarding fiscal deficits and higher future Treasury supply

Current yields are historically attractive

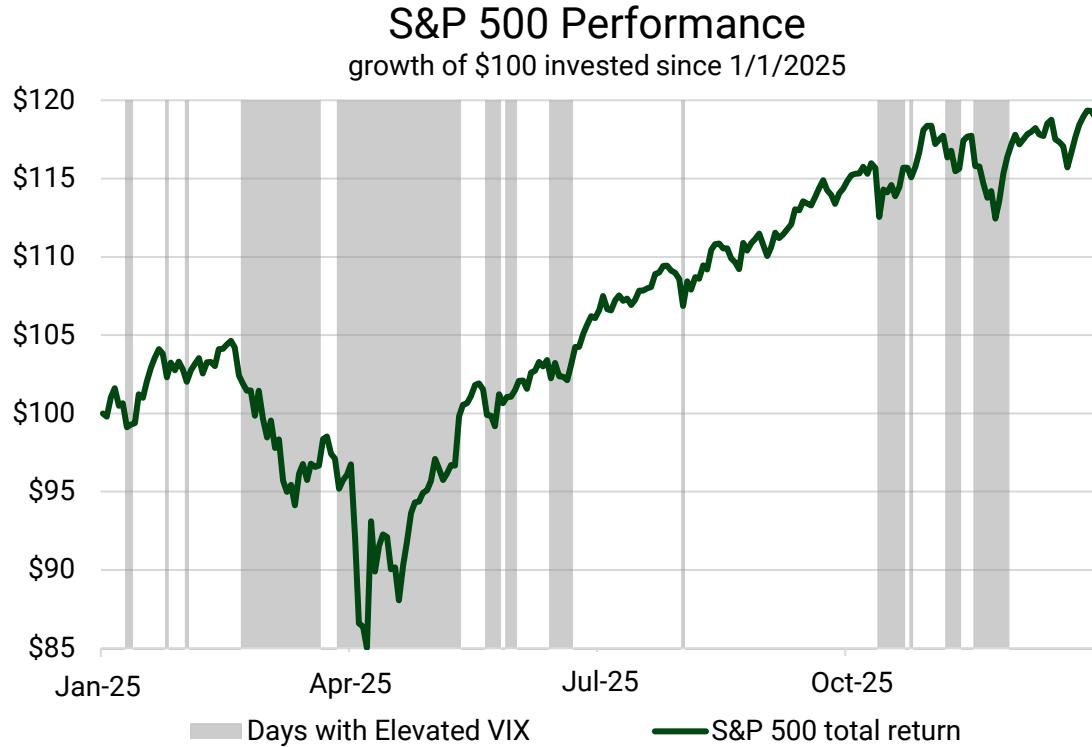

- Strong corporate fundamentals and steady demand for income have reduced the yield premium available from corporate bonds
- Mortgage-backed securities offer comparable yields compared with investment grade corporates, with less credit risk
- Municipal bond yields are attractive for tax-sensitive investors

Source: Bloomberg, \*TEY is the tax equivalent yield-to-worst, assuming 37% tax bracket.

# U.S. Stock Market Returns in 2025

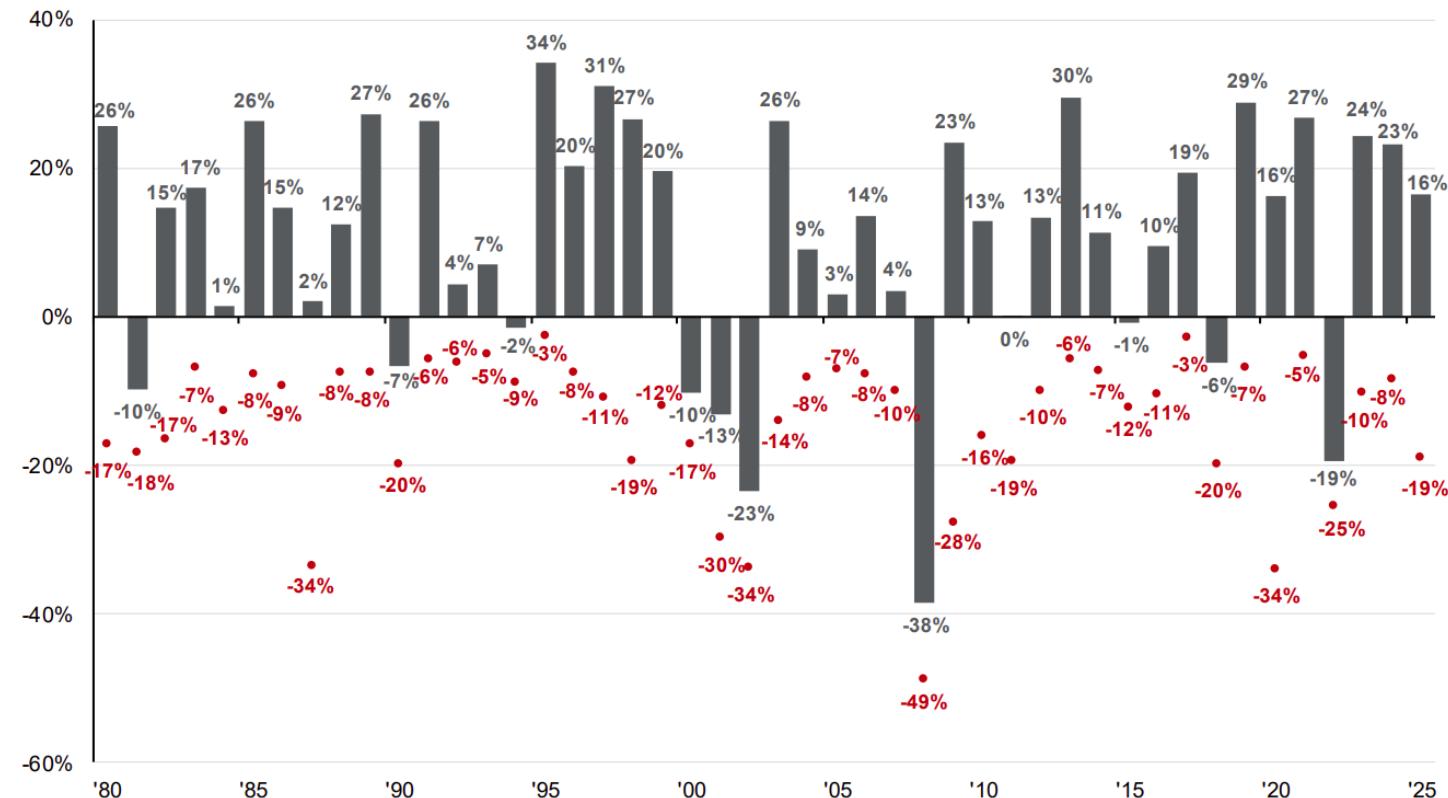

- The S&P 500 Total Return Index gained 17.9% in 2025; Wall Street's "Fear Index" (VIX) registered levels indicative of elevated concern on 36% of trading days, in line with its 10-year annual average
- Maintaining discipline during times of expected near-term volatility is a durable principle for long-term investors

Source: Bloomberg. "VIX" is CBOE Volatility Index, which measures investor's expectations for near-term volatility based on options prices for S&P 500 downside protection. "Days with Elevated VIX" are when the VIX traded at 20 or higher, which is the level generally considered a reflection of elevated expected near-term volatility and investor concern.

# Intra-Year Stock Market Declines

- The S&P 500 Index delivered positive price returns in 35 of 46 years since 1980, with average intra-year declines of 14.2%

Source: FactSet, Standard & Poor's, J.P. Morgan Asset Management. Returns are based on price index only and do not include dividends. Intra-year drops (red dots) refers to the largest market drops from a peak to a trough during the year. For illustrative purposes only. Returns shown are calendar year returns (gray bars) from 1980 to 2024, over which time the average annual return was 10.7%. Data are as of December 31, 2025.
