CUSTOMER SERVICE 315-442-3400  EFFECTIVE SPRING 2021
HOW TO RIDE

1. Each bus stop is marked with the SYRculator icon indicating where you should wait for the bus to arrive.

2. Buses service each stop in 15 minute intervals during normal service conditions.

3. Notify the driver when your stop is approaching by pulling one of the stop cords located throughout the bus.

4. Don’t forget to gather your belongings before exiting the bus.
