

NOTICE

Centro Park-N-Ride Shuttles Just \$1 for 2022 New York State Fair

Centro's popular New York State Fair shuttles will be just \$1.00 each way for the 2022 New York State Fair – a 50% reduction from previous years.

“This is great news for fairgoers, especially families looking to enjoy our Great New York State Fair. A family of four can now get to and from the Fair from these locations for less than \$10,” said Centro Chief Executive Officer, Brian Schultz. “We thank New York State Assemblyman William Magnarelli for securing an additional \$250,000 in state funding to offset the costs of operating our Park-N-Ride services for this year's Fair.”

The shuttle fares are the same as Centro's current fares for its city bus services, which were reduced in March from \$2.00 per ride to \$1.00. The shuttles will operate daily to the Main Gate from the Syracuse Transit Hub and parking lots at Destiny USA and Long Branch Park.

“This is the same level of service we provided last year and reflects the ongoing bus driver shortage,” said Schultz. “Our top priority remains providing uninterrupted daily transit services to our communities. Limiting shuttles to these three locations will allow us to maintain current daily service schedules while still delivering dependable services for fairgoers.”

Centro will also operate free shuttles from the New York State Fair's pay parking lots at the Orange Lot and Willis Avenue. Please visit the New York State Fair website for hours of operation for those locations.

Centro will operate its State Fair services in accordance with New York State Department of Health guidelines, which currently mandate individuals wear a mask while on public buses.

The fare for the Park-N-Ride shuttles is \$1.00 for adults, \$0.50 for persons with a disability, seniors, and children 6-9 years of age. Children under 6-years-old who are accompanied by an adult are free. Parking at Destiny USA and Long Branch Park is free. Schedules for Centro's State Fair service are available on the Centro website at https://www.centro.org/service_schedules/ny-state-fair/ny-state-fair-syracuse.

Centro is currently hiring Drivers, Mechanics, and Bus Cleaners. For more information go to:
