## Centro's Transit Transformation in Oswego and Fulton

### What is Better Bus?

Centro is planning to transition some of Oswego and Fulton's current bus system to a new fixed-route service. The goal is to provide more frequency where possible and easier navigation for riders of Oswego's transit system.

Outreach events will be taking place on **July 9th** in Fulton from **9am – 1pm** and in Oswego from **2pm – 6pm**. Come connect with Centro's project team to learn more about proposed changes and share your feedback.
