How Do I Use My Centro ID?

Upon boarding a Centro bus, show the driver your Reduced Fare Photo ID and be prepared to deposit half the regular fare into the farebox. For example, if the regular fare is \$1.00, you will be required to pay \$0.50.

NOTE: Although the farebox will issue a Change Card for over-payment, Centro encourages customers to pay with exact fare to expedite the boarding process.

While Centro is committed to providing convenient, safe, and reliable transportation services to customers of various abilities, customers should advise the driver upon boarding of any special accommodations required to facilitate their ride.

Centro buses:

- have mobility lifts and ramps to assist wheelchair and other mobility device users;
- offer a "kneeling option" that lowers the front of the bus for easier boarding and exiting;
- announce and display bus stop information on fixed-route vehicles to alert customers of next stop information; and
- welcome service animals.
