Centro Syracuse buses operate on the Sunday/ Holiday schedule on the following holidays: New Year's Day, Memorial Day, 4th of July, Labor Day, Thanksgiving, and Christmas. Centro's inter-city services to Auburn and Oswego will not operate on these holidays. Check individual schedules for specific service information.

Centro Transit Hub

Located in the heart of Downtown Syracuse, the Centro Transit Hub serves as the main transfer location for Centro's Syracuse bus system, as well as a connection point to Centro's Auburn and Oswego bus services. Many routes continue through Downtown, providing cross-town suburb-to-suburb service without the need to transfer. In some cases, however, customers must transfer from one bus route to another to complete a 1-way trip.

Transferring

Customers may transfer from one route to another route to complete a continuous 1-way trip. Upon boarding the first bus, pay the required fare and

ask the driver for a Transfer. When boarding the next bus, insert the Transfer into the farebox as fare payment. Please be aware that Transfers are issued with an expiration time, so board the first available bus at a valid transfer location. Transfers may not be used for return trips on the same line, and cannot be used towards additional zone costs on a trip.

Bus operators do not handle money or make change; however, the farebox will issue a Change Card if an amount greater than the required fare is inserted. Fares vary based on eligibility and zones of travel. Please consult individual schedules for details.

Customers using Centro Ride Passes must maintain possession of their Pass for the duration of their ride.
