

# NOTICE

## Centro of Cortland Service Update EFFECTIVE: Monday, June 30, 2025

Effective Monday, June 30, 2025, Centro will no longer operate service on the Cortland Route 7 with service to Cornell.

**How do I get to Cornell?** Route 6 (TC3) operates to Tompkins Cortland Community College (TC3) where you can transfer to TCAT Route 43 to ride to/from Cornell. We have added more trips and adjusted the schedule to make more connections to the TCAT service at TC3.

- Morning customers: take Centro Route 6 leaving the COB at 6:35 am and transfer to TCAT Route 43 at 7:00 am at TC3. TCAT Route 43 will arrive at Cornell around the same time as the Route 7 does now.
- Afternoon customers: take TCAT Route 43 around the same times as the current Route 7 and connect to Centro Route 6 at TC3 at 5:15 pm.

You will have seven opportunities to travel to and from Cornell throughout the day by connecting at TC3. Refer to TCAT's Route 43 schedule on their website.
