

## What are the goals of Better Bus Onondaga?

Align the Centro network with present-day demand and travel patterns

Better meet community travel needs through the delivery of more efficient and effective service

Optimize local service and integrate new modes such as microtransit

## What improvements have been made?

Routes have been streamlined resulting in:

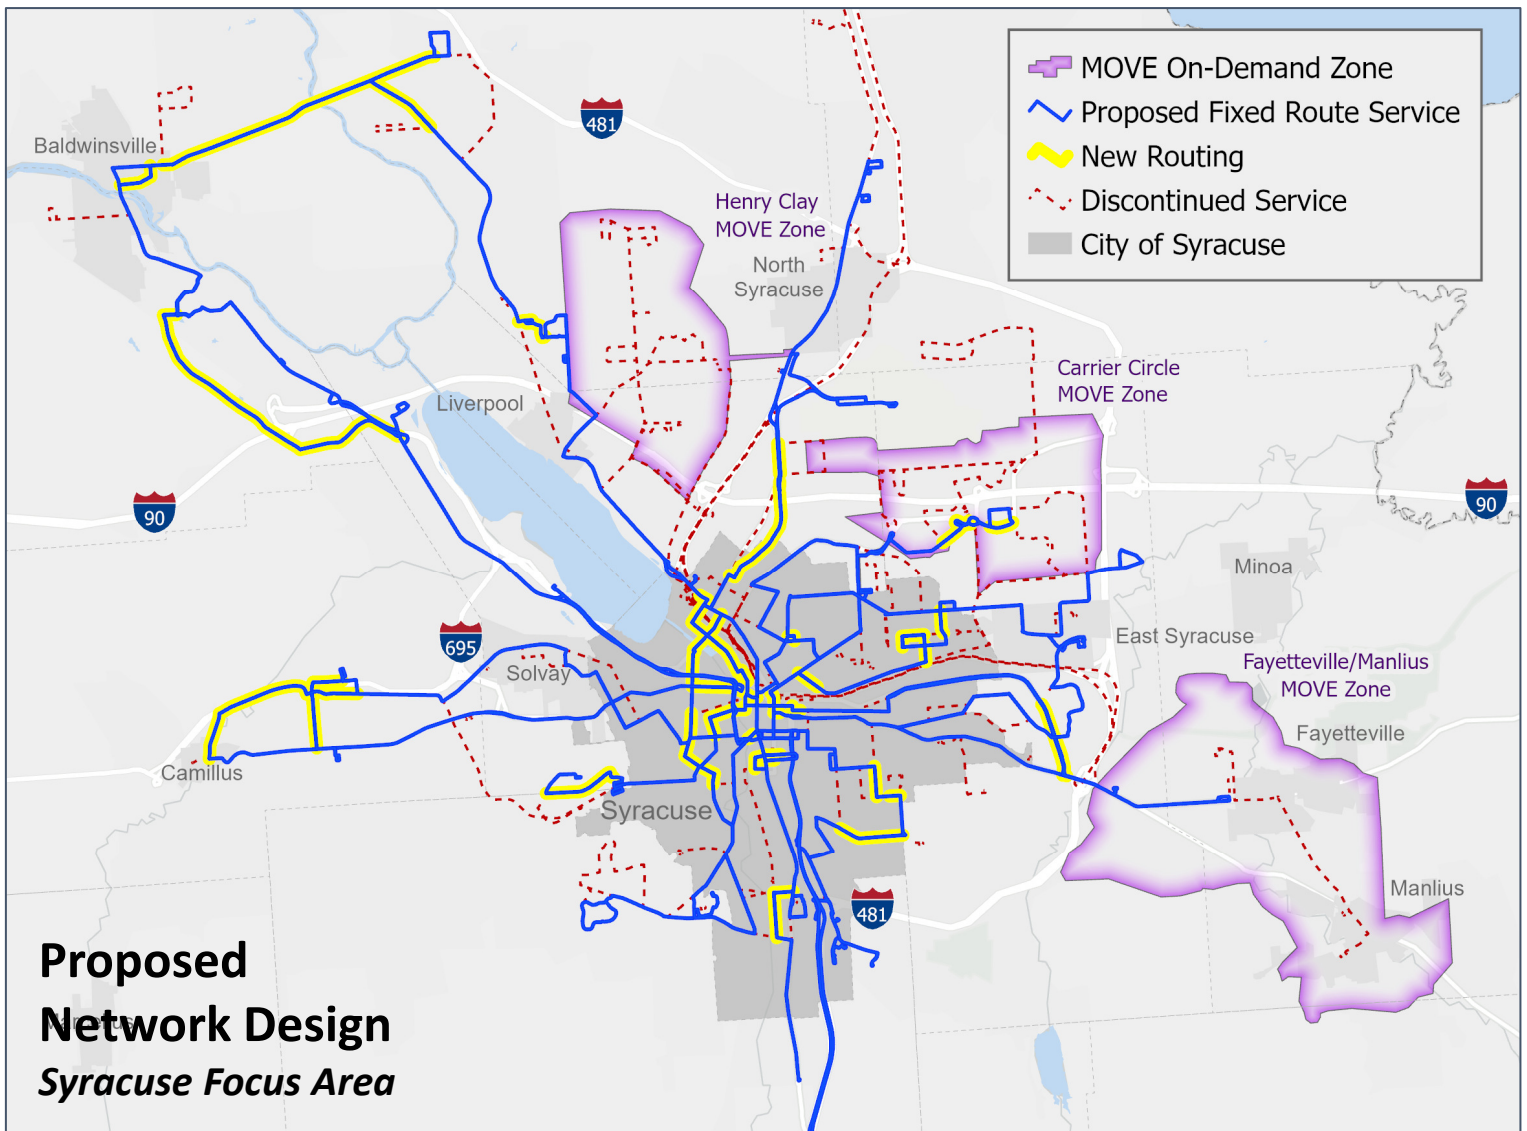

*increased frequency on 15 major routes*

*30 minutes or less between trips for 42% of current riders*

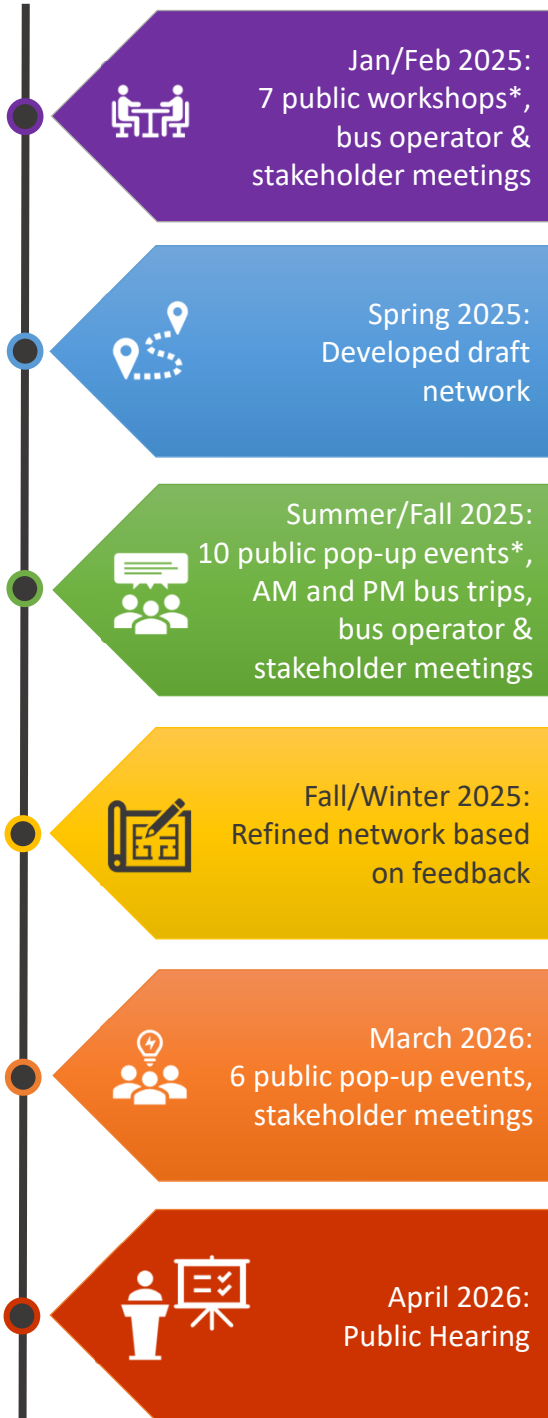

*more weekend service to requested destinations*

Designed connections to the future Bus Rapid Transit (BRT) network

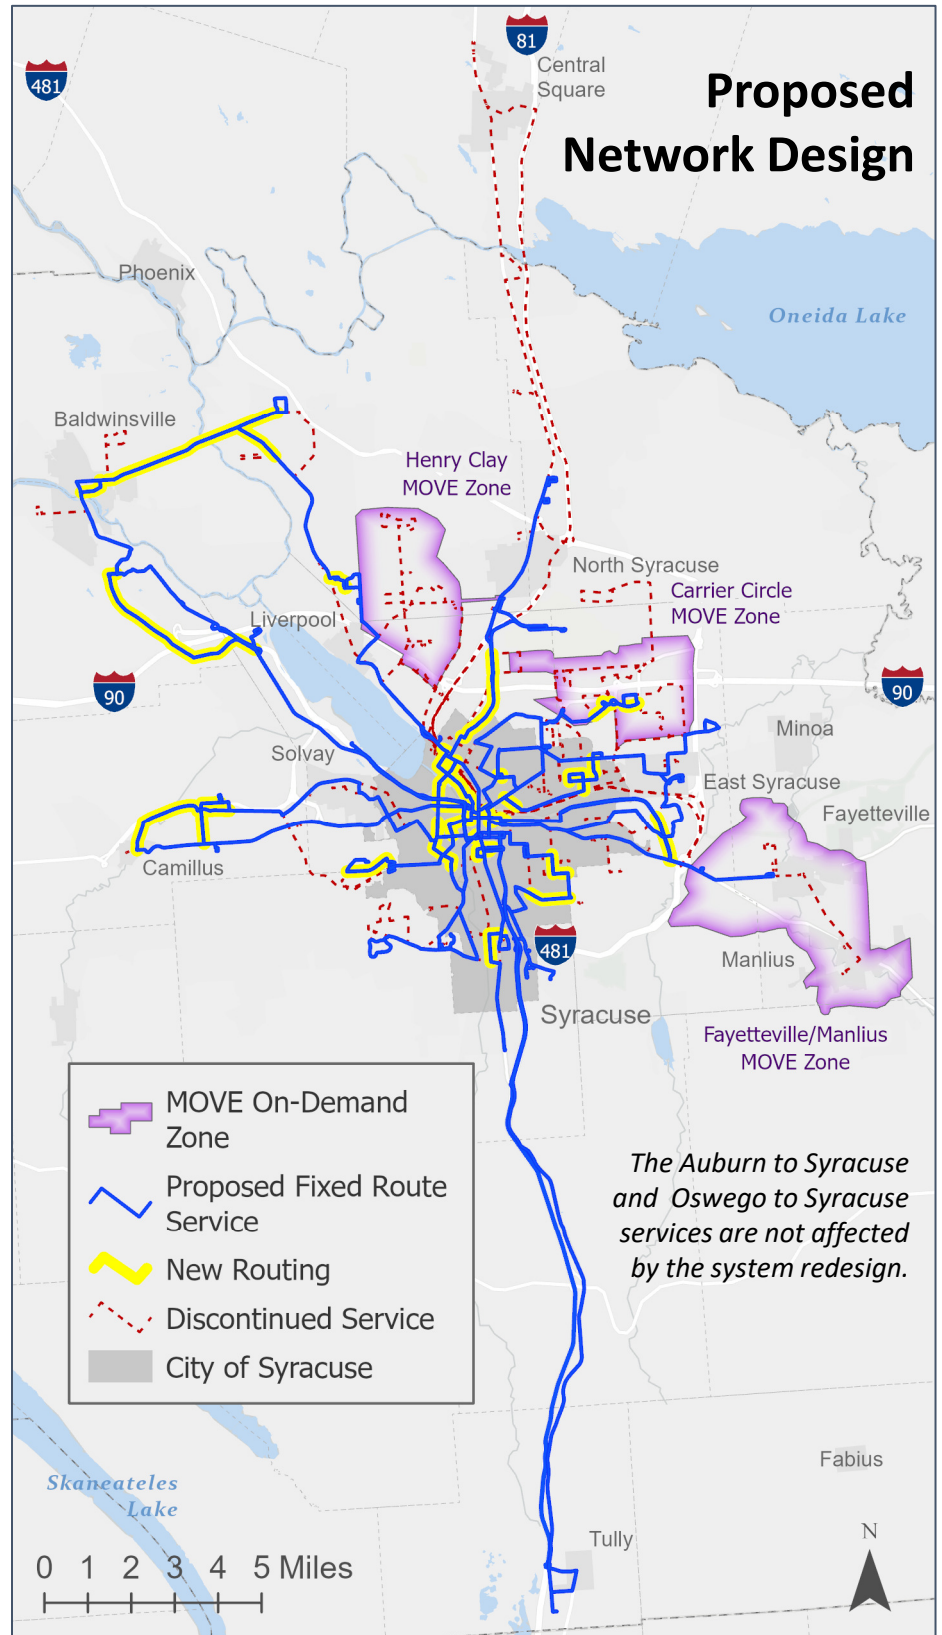

Added 3 MOVE on-demand zones in Liverpool, Carrier Circle, and Fayetteville/Manlius offering weekday service from 6am – 6pm

## Public Engagement Timeline

\* Locations include Centro Hub, Destiny USA, downtown Syracuse, Eastwood, East Syracuse, Fairmount, Fayetteville Town Center, North Syracuse, Onondaga Community College, Shop City, Southside, and Syracuse University

## How can I provide feedback on the proposed changes?
