Transferring

You may transfer from one route to another route to complete a continuous one-way trip. As you board the first bus and pay your fare, ask the driver for a Transfer. When boarding the second bus, insert the Transfer into the farebox as payment of your fare. Please be aware that the transfers are issued with an expiration time, so you must board the first available bus at your transfer location. Transfers may not be used for return trips on the same line. Transfers do not count towards additional zone costs on your trip.
