Arrival Times Using Anytime, Anywhere

Every bus stop in Centro’s system has a unique Stop ID number. You’ll need to know that Stop ID number to get real-time arrival information.

Once you know your Stop ID number, use it on Bus Tracker, the GoCentroBus app, or the Track by Text service to get instant, real-time info about the next bus serving your stop.

Reading Schedules

Find a letter (timepoint) on the map closest to where you want to catch the bus. Locate the corresponding letter above the timetable shown on the inside. The approximate times the bus will arrive at that stop are shown below each letter.

Accessibility

All Centro buses are equipped with mobility lifts or ramps to assist passengers in boarding and alighting the vehicles and to accommodate mobility devices classified as “common wheelchairs” according to regulations set forth in the Americans with Disabilities Act (ADA). Please advise the driver upon boarding of any special accommodations required to facilitate your ride.

Transferring

You may transfer from one route to another route to complete a continuous one-way trip. As you board the first bus and pay your fare, ask the driver for a Transfer. When boarding the second bus, insert the Transfer into the farebox as payment of your fare. Please be aware that the transfers are issued with an expiration time, so you must board the first available bus at your transfer location. Transfers may not be used for return trips on the same line. Transfers do not count towards additional zone costs on your trip.
