**Reading Schedules**

Find a time point on the map closest to where you want to catch the bus. Locate the letter above the timetable shown on the inside. Approximate times the bus will be at that stop are shown underneath each letter.

**How to Ride**

- Be at your designated bus stop prior to the scheduled departure time.
- Have exact fare ready.
- Pull on rope or push button for stop request.
- Be sure the bus comes to a complete stop before leaving your seat.

**Transferring**

You may transfer from one route to another route to complete a continuous one-way trip. As you board the first bus and pay your fare, ask the driver for a Transfer. When boarding the second bus, insert the Transfer into the farebox as payment of your fare. Please be aware that the transfers are issued with an expiration time, so you must board the first available bus at your transfer location. Transfers may not be used for return trips on the same line. Transfers do not count towards additional zone costs on your trip.

**Accessibility**

All Centro buses are equipped with mobility lifts or ramps to assist passengers in boarding and alighting the vehicles and to accommodate mobility devices classified as “common wheelchairs” according to regulations set forth in the Americans with Disabilities Act (ADA). Please advise the driver upon boarding of any special accommodations required to facilitate your ride.
