

How to find a Stop ID # using Bus Tracker

- 1 Stop Selection Menu**
Select your agency, route, direction of travel, and bus stop in these four dropdown boxes.
- 2 Selected View**
If the box is checked, the estimated arrival times for all buses serving the stop will be shown.
- 3 Selected Stop**
This section displays the name of the stop that is currently selected. The area below will display any service bulletin.
- 4 Stop ID Number**
The Stop ID will appear once a route, direction of travel, and stop is selected.
- 5 Map Button**
This section displays the route and destination of buses bound for the selected stop on an interactive map.
- 6 Service Alerts / Detours**
This section displays any active Alerts associated with the selected route.
- 7 Routes / Destinations**
This section displays the route and destination of buses bound for the selected stop.
- 8 Estimated Arrivals / Approaching**
This section will display the estimated arrival times and buses bound for the selected stop. Remember to allow time to get to your bus stop. The estimated time of arrival (ETA) is displayed over the bus number. If there is no bus number, it is implied that the time is actually a scheduled time, not an ETA. A bus with an arrival time of "Approaching" is typically less than 2 minutes from a selected stop.

The screenshot shows the 'centro Bus Tracker' interface. At the top, there are four dropdown menus for 'SELECT AGENCY' (Syracuse and SU), 'FIND BY STOP #' (7755), '1. SELECT ROUTE' (Sy50 - Destiny USA), and '2. SELECT DIRECTION' (FROM HUB). A 'Find' button is next to the stop number. Below these are '3. SELECT STOP' (Destiny USA) and a 'Map' button. A checkbox 'SHOW ALL VEHICLES FOR THIS STOP' is checked. A text box contains 'TEXT "GOCENTROBUS 7755" TO 41411 FOR ARRIVAL TIMES'. The main display area shows a green bar for 'Destiny USA (FROM HUB)' with a time of '2:45 PM'. Below this is a yellow banner for '440 GAME DAY EXPRESS Starts 9/8 Update the GoCentroBus App Today'. A table with two columns, 'ROUTE / DESTINATION' and 'ESTIMATED ARRIVAL / VEHICLE #', lists three routes: Sy50 (To 50 Destiny USA to Hub), Sy16 (To 116 North Salina - 7th North - Destiny), and Sy88 (To 188 North Syracuse to Hub). The arrival times are 'APPROACHING 1002', '19 MINUTES 1229', and '32 MINUTES 1240'. The footer includes a help icon, 'powered by Clever Devices', and copyright information.

ROUTE / DESTINATION	ESTIMATED ARRIVAL / VEHICLE #
Sy50 To 50 Destiny USA to Hub	APPROACHING 1002
Sy16 To 116 North Salina - 7th North - Destiny	19 MINUTES 1229
Sy88 To 188 North Syracuse to Hub	32 MINUTES 1240
